

SANJEEV GHIMIRE

Full-Stack Developer · UI/UX Designer

Kathmandu, Nepal · +977 986-6405303 · sanjeevghimire47@gmail.com · sanjeevghimire.com.np · linkedin.com/in/sanjeevghimire-np · github.com/Sanjeev-Ghimire

PROFILE

Final-year BSc (Hons) Computing student (London Metropolitan University, via Islington College Kathmandu, expected 2027) with hands-on experience shipping full-stack web applications solo, end-to-end — from Figma wireframes through to a deployed, database-backed build. Comfortable moving between design and engineering: designs the interface, builds the API, and models the schema behind it. AWS Academy-credentialed and building applied ML experience alongside core development work. Looking for a graduate role in full-stack development or UI/UX where shipped, production-quality work speaks for itself.

EXPERIENCE

Business Development Intern | ING Skill Academy

Nov 2024 – Jul 2026 · Kathmandu, On-site

- Generated and qualified leads through targeted outreach, measurably growing the sales pipeline.
- Prepared sales proposals and maintained CRM records to support client acquisition, while balancing a full-time academic course load.
- Contributed to marketing campaigns, strengthening audience targeting and outreach messaging.

Business Operations Assistant | Ram Sagar Builders Pvt Ltd

May 2022 – Aug 2024 · Kathmandu

- Managed recruitment, expense management, and day-to-day business operations end-to-end.
- Evaluated emerging technologies and recommended adoption strategies for process improvement.
- Developed client design briefs and incorporated iterative feedback into final deliverables.

Professional Development Chair | Rotaract Club of Bhadgaon

Jun 2025 – Present · Bhaktapur

- Design and run skill-development programs, career workshops, and networking events aimed at member growth.

SELECTED PROJECTS

HotWheelsNepal — E-Commerce Web Application | Solo Project

Mar 2026 – May 2026

- Architected and delivered a complete e-commerce platform — catalogue, cart, and checkout — solo, end to end.
- Designed the full UI/UX in Figma, from wireframes through prototype to a responsive production build.
- Engineered a Java Servlets backend with MySQL for persistent, reliable data management; documented the system with ERDs and class diagrams.

Personal Portfolio Platform | sanjeevghimire.com.np

Ongoing

- Full-stack personal site on Node.js/Express with MongoDB, including a working contact form wired to transactional email.
- Built a custom 3D page-flip poetry viewer and an admin-gated content editor, blending technical and creative identity.

EDUCATION

BSc (Hons) Computing, Information Technology | London Metropolitan University — delivered at Islington College, Kathmandu

2024 – 2027 (Expected)

Relevant modules: Web Development, Database Systems, Software Engineering, Human-Computer Interaction, Object-Oriented Programming

School Leaving Certificate (SLC) | Uniglobe SS/College

2019 – 2021 · Kathmandu

CERTIFICATIONS

LinkedIn Learning — React Essential Training (Jun 2026) · HTML Essential Training (Jun 2026) · Intro to Web Design & Development (Jun 2026) · Java Object-Oriented Programming (May 2025)

Figma for UX Design (May 2026) · Microsoft Office & Graphic Design Suite — Canopus (May 2022)

AWS Academy Graduate — ML Foundations (Dec 2025) · ML for NLP (Dec 2025) · Data Engineering (Nov 2025) · Cloud Foundations (Dec 2025)

LinkedIn Learning — Learning Data Analytics: 1 – Foundations, NASBA CPE (Aug 2026) · AI Workshop: Building AI Applications with Hugging Face Models (Jul 2026) · Prompt Engineering: How to Talk to the AIs (Jun 2026)

SKILLS

Languages & Frameworks: JavaScript, Java, HTML/CSS, React

Backend, Data & Cloud: Java Servlets, MySQL, MongoDB, AWS Cloud

Design: Figma, UI/UX Design, Wireframing, Prototyping, User-Centred Design

AI & ML: Python, Machine Learning, AI/NLP Fundamentals, Prompt Engineering

Tools: Git/GitHub, VS Code, IntelliJ IDEA
